

FOOD FOR FINES!

February 2012

Overdue fines may be paid with food!

Each canned or non-perishable food item with unexpired "use-by" date donated will pay up to \$1 in overdue fines.

We cannot accept donations in payment for lost or damaged materials or for services such as copies or faxes.

Of course we will accept donations, even if no fines are owed!

**All donations will be given to the Food Pantry/Food Bank
in the community where it is collected**

Call your local library for more information
